Provider Name	First Light Emergency Shelter
Provider Description	<p>Our mission is to work with homeless women and their children to create hospitality in a safe and nurturing community, to encourage them to maintain dignity, to find hope, to seek opportunity, and to grow spiritually, thereby achieving their full potential.</p> <p>The second floor of First Light houses the emergency shelter. It is a dorm-like environment with 36 beds, a family room, and a volunteer room. A metal locker accompanies each bed, which allows our guests to remove all their possessions from the typical carrying case... a large plastic garbage bag, to secure them in a neat and clean place.</p> <p>The average stay at First Light is months rather than weeks. It is a process, not a quick solution. The guest and Social Worker assess the current situation, identify needs, and prioritize areas needing immediate action. From this point forward, a First Light guest is on a path of setting and achieving goals.</p>
