

Health/Dental/Vision Resources

PLEASE READ: Please call the services you are interested in to ensure you have all the needed information. This list is a general compilation of available services in Birmingham, not affiliated with One Roof. This list is tailored for those experiencing homelessness on the streets or in shelters, but feel free to call to see what services may be available to you. Most of the resources do not require insurance but if you have it, please bring proof. Additionally, service providers may ask for proof of income (pay stubs, award letters, food stamps award letter), and photo ID (usually Continuum ID is okay), and/or proof of residency (referrals from homeless service providers).

Provider Name	AIDS Alabama
Provider Description	<p>AIDS Alabama is dedicated to helping you stay healthy. Through our health and wellness programs, AIDS Alabama provides culturally sensitive, LGBTQ-friendly services. The LGBTQ and Black communities have been profoundly affected by HIV. As part of a comprehensive approach to treatment, education and prevention of HIV, AIDS Alabama provides housing, health care services, health insurance premium assistance and support groups designed to empower community members living with HIV/AIDS. AIDS Alabama also offers comprehensive Prevention Programs which provide HIV testing and STI testing and treatment, counseling and outreach to at-risk communities.</p> <p>When someone comes into AIDS Alabama for testing and care, they can rest assured that they will be treated with dignity, respect, and above all compassion. We help anyone in need of care, and we do not discriminate. We are passionate about health equity and believe everyone in our community deserves high-quality healthcare.</p> <p>If a client is HIV positive we assign them to a social worker who connects them with a continuum of care which includes medical needs, financial and housing assistance, mental health counseling, nutrition support, peer groups and transportation. We continue to expand our social services to ensure more people from our community have timely, compassionate access to the health services they need.</p>
