I. Welcome and Roundtable Introductions

- List of attendees will be generated from WebEx in lieu of a sign-in sheet.

II. Continuum Business

- Continuum Updates: PIT Count, Warming Station, PHC, membership dues
 - PIT Count: Thank you to all the partners and volunteers who helped with the PIT Count! The Count was successful and One Roof will release the data as soon as it is compiled and verified. This will be submitted to HUD in April or May.
 - Warming Station: Has been open for 28 nights so far. One Roof, Pathways, and First Light have been assisting with intake for the warming station, checking in all guests. This has provided valuable data on who is using the warming station and how often. We hope there will not be a need to open the warming station again this year, but we are ready to do so if the City decides to open.
 - PHC: was cancelled this year due to the on-going COVID-19 pandemic.
 - Membership Dues: CoC membership renewals will be sent out soon.
- COVID-19 Vaccine Updates
 - Vaccine messaging for staff and clients (HUD Resources)
 - [Vaccine Questions & Answers presentation](#)
 - [Recording of Health Department's Vaccination Zoom Call](#)
- System Performance Measures
 - Our CoC is measured each year on the following data points: length of time people experience homelessness before moving into permanent housing, number of people who return to homelessness after assistance, total number of people experiencing homelessness, income growth, number of people experiencing homelessness for the first time, and successful placement into permanent housing from street outreach
 - One Roof submitted our CoC's most recent System Performance Measures recently without any issues.
- Coordinated Entry Advisory Committee
 - Diverse and inclusive group to assist in advising the Coordinated Entry Program. Will include both persons experiencing homelessness and service providers.
 - Application will be sent out soon for folks to apply.
